

Southern Maine Integrative Health Center Office Policies

In order to make our office run smoothly we request the following of our patients.

Payments will be made at the time of service unless other arrangements have been made prior to the service.

Our office sends appointment reminder calls 3 days prior to new patient and follow up visits.

1. If you are a new patient you must reply to the reminder call by selecting the appropriate key if you answer the call personally or by calling our office to confirm your scheduled appointment at least 48 hours before your scheduled appointment. Otherwise the appointment will be reassigned. A missed appointment will result in a \$300.00 charge.
2. If you miss a follow-up appointment without giving us notice you will be charged \$160.00.
3. If we can find a patient to fill your appointment slot due to your late cancellation, you will be charged \$25.00 for the time we'll spend finding that patient.
4. Those who have incurred fees as a result of a late cancellation or have missed an appointment without notice, will pay all balances prior to making a new appointment.
5. There will be a charge for all duplicate paperwork requested. This will include prescriptions, lab requests, lab reports, and letters written. A fee for all mailed documents will be assessed.
6. All new patient forms will be completed prior to your scheduled appointment time.
7. All current insurance information must be provided if you would like us to bill your insurance company.
8. If arrangements haven't been made to pay all bills in full, unpaid bills past 90 days will be referred to collections.

I understand these policies and agree to follow them.
